## Current Clients

### **Minority Business Enterprise Legal Defense & Education Fund - President**

Anthony W. Robinson, principal of the Robinson Firm, has served concurrently for over the past thirty-three years, as President of the Minority Business Legal Defense and Education Fund (MBELDEF). As President he has guided the company into its status as the premiere legal advocacy and watchdog organization on behalf of the small and minority business community.

MBELDEF under Mr. Robinson has engaged in activities on behalf of MBE clients that have been comprehensive in nature and have litigation, testimony before legislative bodies, legal guidance and technical assistance to local, state and federal agencies and a plethora of training and information dissemination efforts designed to maximize positive impact for the small business clients.

Additionally, in this role, he has advised international business organizations relative to their business development strategies including the African National Congress' Constitutional Committee, the Department of Transportation for the State of Tanzania, the Indigenous Business Organization of Zimbabwe and Integrate the supplier diversity program in Brazil.

### **Minority Business Development Agency – Business Consultant**

As a Business Consultant for MBDA, Anthony W. Robinson, links minority-owned businesses with the capital, contracts, and markets they need to grow. He advocates and promotes minority-owned business with elected officials, policy makers, and business leaders. Serving as subject matter experts and advocates for the minority business community, he conducts high quality research and cultivates domestic and international relationships.

### **MBDA Federal Procurement Center – Business Consultant**

The Robinson Firm provides objective insights to each of its FPC clients, into how to run their business better, increase sales and improve their skills as a CEO. We assess and critique opportunities pipelines for gaps, identify near and long-term contract opportunities, create strategic partners and teaming relationships and help build sustainable relationships with federal agencies and large prime contractors.
